

News Blast from The ARK!

Open House & Summer Send Off - Please RSVP if your kids will attend either day:
Friday, August 27th or Saturday, August 28th 10:00-1:00PM
What we'll be doing?

Pick up your DVD Set if you want one!

Mercy Street Productions! And/Or DVD Year Book for 2009-2010 Or So . . . !

Redeem Store Certificates!

The Certificate enclosed is a "Thank You" to the kids for all the times they helped doing tasks and chores at The ARK throughout the year!

Be Part of a Research, Development & Advertising Team!

Are you an Entra-Pioneer with a heart for missions? Would you like to be part of the commercials we're making? We'll be packing samples on a new product: "Pupsicles - The IcePups for Pets" and presenting ads that you draw up! The product will benefit missions and good causes in communities. Your mission if you choose to accept it IS: Draw up your idea on an 8 x 11 or larger white piece of paper; Write your "advertisement" or slogan on the same or separate piece of paper and practice presenting it! Kids who participate will present their ads! We'll also discuss how we'll bring the product out to different places for pet-taste-testing! You and your ad just may be presented at markets!

Brainstorm for Mercy Street #3 - A Mission Action Adventure!

While the themes for the next episode are written, we'll get ideas of the twists and turns our characters will take going across the sea on a rescue mission! If you can't make it, but want to be in the production, now is the time to let us know! We'll have a Professional Theatre Director [paid for by a generous donation just for her expense] and she'll be helping The ARK produce this production! She will also be especially training and mentoring a small team of kids to be Assistant Stage Directors to assist her and to 'run the show' when she can't be here. Interested? We need to know as soon as possible! Email: info@ArkHome.Org or Phone The ARK 815-258-6821
