

2009-2010 ACADEMY ENROLLMENT COSTS

The ARK's mission is to make quality Christian education opportunities available to those who sincerely desire it.

Financial Assistance, Scholarships, Parent Volunteer Commitment and Work Exchange may be available for families who need assistance to participate.

If there are families who through God's leading, desire Christian education for their children, The ARK is committed to doing whatever it takes to provide the opportunity and we are trusting God to provide the resources needed.

Our desire is not to turn any family away.
