

### **The ARK Utilizes a Proven Academic Curriculum**

We are proud to be an affiliated "Distance Education" ministry that utilizes the All DVD Program for Schools from A Beka Academy. A Beka Academy is a subsidiary of Pensacola Christian College. Pensacola Christian Academy and Pensacola Christian College together have an annual student enrollment in excess of 7,000 students. A Beka Book, whose reputation is highly regarded in academic circles, is utilized in over 10,000 Christian schools located both in and outside the U.S. Over 600 of these Christian schools utilize the A Beka Academy DVD Program for Schools whose master teachers, with over 6,400 teaching hours, teach your child from kindergarten through high school. Since 1985 over 415,000 student enrollments have benefited from this high quality Christian curriculum.

A Beka Academy offers it's Christian school affiliates, who completely utilize their All DVD Program for Schools, a fully accredited program for student families who desire this added benefit. As a high quality distance education provider, A Beka Academy is accredited by the Florida Association of Christian Colleges and Schools (FACCS) the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI) (which also includes the North Central Association (NCA)) and the Commission on International Trans-Regional Accreditation (CITA) which together provide the benefits of local, national and international reciprocal accreditation.
