

Hello Miss Laura,

Here's a short letter about us, The ARK-Bangkok's ministries, and our family photo.

Serving in the Kingdom of Thailand FOR the Kingdom of God,

*The Escanlars,
Luen, Daryl, Koshen, and Kamille*

Pastor Luen Ross Escanlar and his wife, Daryl, came to Thailand in 2005 to answer the call to missions work. Luen has been working as a volunteer pastor for Zion Baptist Church in Nonthaburi, Thailand, with Thai and Filipino congregation, and is actively involved in preaching, evangelism and Sunday School teaching. Daryl is also involved in teaching Sunday School to the children.

In the year 2006 and 2007, God blessed the couple with two daughters, Koshen Lille, 3 years old, and Kamille Maxine, 2 years old. Since 2008, the couple has been praying for a homeschool curriculum, primarily for their daughters, but after so much prayer for God's leading to do more for the ministry, God put a burden in their hearts to reach out to children who have not been attending schools due to language barrier and financial reasons. This way, they can train the children in God's admonition and share the Gospel to them and to their parents. Having this deepest desire to make God's name radiate in Bangkok, God opened a door for Daryl and The ARK-Harvard. Now, the couple is in-charge of The ARK-Bangkok Mission. The ARK-Bangkok will be working hand-in-hand with The ARK-Harvard.

The ARK-Bangkok has the truest desire for missions to advance the Kingdom of God for His glory and honor.

The ARK-Bangkok's ministries include the following:

- providing Christian homeschool curriculum to Filipino children and their families as well as to children of pastors and missionaries*
- sports ministry*
- sharing the Gospel and salvation to the unsaved*
- weekly Bible Study to the parents*
- giving free ESL courses and sharing the gospel to the Thais*
- support missionaries and their ministries*
- support Thai believers who had discerned and heeded the call to the evangelistic ministry, thereby encouraging and equipping them in the noble task of preaching the Gospel of Jesus Christ and fulfilling the mandate of the Great Commission to their fellow Thais*

It is our prayer that this desire for His kingdom will bring delight to the Father as He blesses us and enables us to do things for His greater glory.
